### The staff at Children's Academy Early Learning Center would like to welcome our students and families!

Here are just a few helpful tips to make your year easier and stay informed:

1. Daily, check your student's backpack and folders for current and updated information.
2. Look for weekly School Newsletters to announce important dates, changes, and resources. For split families please be sure all households get this information. Keep the newsletters in a convenient place so you can refer to it throughout the week.
3. During Camp Preschool you received our school handbook. Please read the entire handbook. Be sure to place it where you can refer to it often. If your child receives transportation place the number in your phone for reference.
4. Become a school volunteer. What better way to know your child's school than by being a part of it. We have many volunteer opportunities and will find the perfect one for you. Commit what time suits your schedule.
5. We will not hold "selling" fund raisers. Instead we collect Boxtops. Ask your family and friends to sign up at [www.boxtops4education.com](http://www.boxtops4education.com) and/or collect them to send to the school with your child or mail them to; CAELC, 1111 Pearl Street, New Albany, IN 47150. A few times a year we send home a Nickels For Nibby sheet. This is to

### Mrs. Schultze Corner

Welcome to the 2016-17 school year and to the Children's Academy Early Learning Center school family! We are here to support you and your family as we begin your child's educational journey together. The children are learning skills every day in all areas of development. We will use this newsletter to communicate events, fun facts and ways to enhance your child's education. Parents frequently ask what they can do at home to help their child be successful in school. Educational research indicates that children who are read to daily are most successful in school. **Read to your child every day.** Read throughout the day and especially before your child goes to bed. Snuggle with them on their bed and make it a ritual to end their day with a book. The New Albany Library has a program for preschooler to read 1000 books before kindergarten. I recommend that you sign up and **READ every day!** Have fun, be silly and read with your child every day!

**We are lucky!** There are lots of free or nearly free things to do in our communities. Most weeks I will post something fun for your Preschooler and the family to participate in.

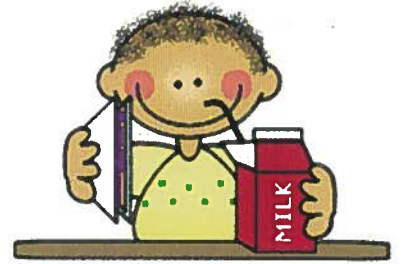

### Summer Movie Series
