## Mrs. Schultze's Corner

We all need a little more calm during the Holidays! Take time to breathe with your child during calm times so when life gets hectic you can all take a deep breath and put a pause in your day. The children are learning calming techniques. Practice being a S.T.A.R. **S**mile, **T**ake a deep breath **A**nd **R**elax with them. Another calming technique is the "Drain." When your child is getting cranky you can sing the song "If You Are Happy and You Know It, Clap Your Hands" or you can sing it with a silly change. Sing "If You Are **A**ngry and You Know It, **D**RAIN it out..." To do the Drain you extend your arms out, pretending your arms are faucets. Tighten arm, shoulder, and face muscles. Exhale slowly making a "ssshhhh" sound and release all your muscles, draining out the stress as you open up your hands and pretend that the water is pouring out.

## Bus Riders

We are so fortunate to have a great Transportation team working with our families. They try to make every drop off and pick up at your front door rather than a general bus stop.

It is important that you are waiting outside for your bus. They are not required to stop if there is no one at the bus stop and they may not honk the horn. Children will be returned to the school and it will be the parent or daycare responsibility to pick up the child at school.

Since we do front door drop off and pick up, times may vary a little. Please be waiting 10 minutes before and 10 minutes after. If your bus has not arrive 10 minutes after please call the bus terminal at 812-542-4707 ask for Jen. She is able to contact the bus drivers. Do Not Call the school.

**If your child will not be needing the bus you must call the bus terminal. The school is unable to contact the drivers.**
