The Staff at Children's Academy Early Learning Center would like to wish our students and families a happy and safe summer break. We welcome back our returning students during Preschool Camp! We are so, very, proud of our students entering Kindergarten, we will miss you.

Dear Parents

We've worked with your flower and helped it to grow.
We're returning it now, but we want you to know.
This flower is precious: As dear as can be.
Love and take care of it and you will see a bright new blossom with every day.
It grew and blossomed in such a wonderful way.
In August, just a bud, then January, a bloom.
Now a lovely blossom. We are returning to you.
Remember this flower, as dear as can be, though rightfully yours part with us will always be!

Help Needed

We are looking for volunteers to continue our Box Top Program .

Collecting Box Tops is our only building fundraiser. Box Tops raises funds for the children's books, events, Aquarium supplies, classroom supplies and so much more.

It is an easy job and can be done, on your schedule. This is an important job and a very easy job with great benefits to our school!

Please contact Melissa Martin at the school office for more information. 812-542-5506

Mrs. Schultze's Corner

As the days tick down on our preschool year 2016-17 we hope you can come and join us on May 23 for our classroom celebrations, performances and Family Fun day. We will have lots of summer fun ideas to share on Family Fun day.

While playing, children work through conflicts with objects, other children and adults. Play provides an outlet for curiosity, information about the physical world, and a safe way to deal with anxiety and social relationships. In the long run, play serves children's inner needs, hopes and aspirations.
