May 15: Bouncy House Fun  
May 23: Last Preschool Day Family Fun Day  
July 17 & 18: Preschool Registration

PLAY - TOUCH - CLIMB - EXPLORE

This FREE hands-on family event lets kids see and explore all types of vehicles and equipment! Vehicles on hand include emergency, utility, tractors, and various machinery. Kids will get a chance to explore, climb, and touch the vehicles.

## Mrs. Schultze's Corner

This summer challenge yourself to give your child opportunities to do these seven types of activities every day. Cooking, walking, playing on the playground, reading, acting out stories, and going on walks to find different colors, shapes, animals or insects, are all examples of ways to make learning fun. Use daily routines at home to promote language and vocabulary skills. Chores such as helping set the table, sorting laundry, or helping write a grocery list are ways to improve language skills. And read every day!

## Help Needed

We are looking for volunteers to continue our Box Top Program .

Collecting Box Tops is our only building fundraiser. Box Tops raises funds for the children's books, events, Aquarium supplies, classroom supplies and so much more.

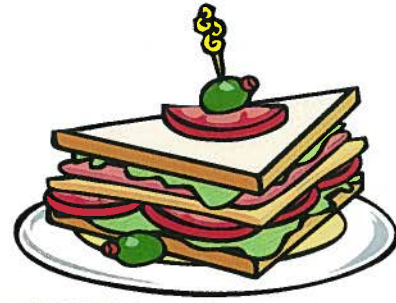

It is an easy job and can be done, on your schedule. This is an important job and a very easy job with great benefits to our school!

Please contact Melissa Martin at the school office for more information. 812-542-5506
